**Subject: Product Discontinuation Notification**

**Tracking Number: PCN / EOL - 211501  
VX3, VX5, and VX6 Products**

Dear Valued Customer,

The intent of this letter is to inform you of QuickLogic's difficult decision to discontinue the manufacture of the products listed in the below Table. This is driven by market conditions.

We understand the difficulty this discontinuation can present, and QuickLogic is making all reasonable attempts to secure outstanding materials to serve our customer's needs. The following is the timetable of our discontinuation:

**Last date to place orders: September 30<sup>th</sup>, 2021**

**Last date for shipping orders: December 30<sup>th</sup>, 2021**

We ask that every effort be made to place last-time buy orders in a timely manner, as product may have limited availability. While placing orders is not a guarantee of delivery, priority will be given to the earliest-received orders. QuickLogic reserves the right to refuse orders if supply constraints prevent us from fulfilling the orders, and all orders must be placed as "NCNR" (non-cancelable, non-returnable).

Thank you for your attention to this matter. No response to this notification is required. Please do not hesitate to contact your QuickLogic representative or distributor, if you have any questions. Your continued interest in QuickLogic is greatly appreciated.

Sincerely,

QuickLogic Corporation
